Welcome to Silent Depth, the first real 3D submarine simulator for mobile devices. As a member of the U.S. Navy's Silent Service, you take command of one of five Navy submarines, and it's your job to find and destroy terrorist vessels. You will have several submarines at your disposal - from small Los Angeles-class submarines to the most modern nuclear submarines. And that's not all: you will play as submarines participating in various combat missions.
