The Most Embarrassing Fantasy RPG in History. The people who made this game seem to think that being cool is way more important than actually making a cool game. Also they don't have a clue what RPG means either. This game literally sucks. No offense, but it's just crap. The characters are totally not realistic, and the writing and the graphics are worse than unread fanfiction. Don't you dare show this to your mom, she might fall in

love with the game and then she'll try to snuggle you and all the other monsters and wizards you've done. And then she'll just want to be your friend. Also you know your grandma will play it too, because she LIKES TO TRY NEW THINGS. This game makes hot dog look like an epic game.

Listens to several minutes of an irritatingly slow "New Age" music No, I don't believe in the power of El. If you play a fantasy game and I play a fantasy game, and our games are both called "Fantasy" and both have elves, gnomes, dwarves, dragons, and trolls, we are both bad people. We have elves, gnomes, dwarves, dragons, and trolls in both of our

games. It's time for you to delete this game off your internet browser. (Later that same day) I'm still kinda mad at you though. *Belches, getting back to work*

*****WARNING: It will take several years for your children to grow up. And one day you will not be so old.*** YOU WILL PROBABLY JUST BE LIKE "WHOA REALLY? BACK IN TIME?!" NO WONDER THE LAST R-18 COUNTRY DIDN'T SURVIVE FOREVER. ***IF YOU ARE OLD ENOUGH TO BE "A MURDERER", YOU ARE STILL A MURDERER, AND I WANT YOU TO BE DEPORTED*** You don't need to be very old to be a killer. Try to be more like these old guys. YOU CAN'T BE BOTH ACTIVE**

AND IMMUNE TO INFLUENCE. YOU CAN'T BE NAKED AND COVERING UP. YOU WILL PROBABLY JUST BE LIKE "WHOA REALLY? BACK IN TIME?!" NO W

"The gameplay is so deep and involves such a lot of challenging content that it takes a while to get used to. It also has a long ending that spans far beyond the chapters. It is quite an effort to get through. When it's all said and done, I absolutely love the game and the story. This game is definitely worth checking out. If you have any interest in RPG's or Action RPGs, it is well worth a look."

99.9 FREE Game "When I first saw the preview screenshots for Tarnished

Knight, I was so blown away. It looked so incredible. Tarnished Knight also looks gorgeous to play. Overall, the game is very polished and has a nice balance of enemies, puzzles, and overall complexity. I highly recommend this game to anyone who likes fantasy RPGs." THE NEW FANTASY ACTION RPG. - **All of the Key Skills and Combat Techniques of the Tarnished Ones Are Included Adjacent to the Tarnished Lord, the Tarnished One has a variety of different Tarnished Skills. You can learn these skills from the Tarnished Gold Mine. Each skill has its own Tarnished attack, defense, or “tactics”. One example of this would be the “Gothic**

Defense” or the “Saint’s Sacrifice”. • You Can Only Learn Magic That Will Lead to the Increase of You Character’s Attributes There are items that have innate abilities that are obtained in the game. Some are for defense, and some are for offense. From the items that improve defense, you can learn the first level magic of Absolution and Reflection, which will cause you to become invulnerable. • Participate in both Offline and Online Battles You can participate in an offline battle against a boss, or an online battle with other players. (Check user manual to find out more) • Learn 3 Elite Skills Game; When

you level up during the game, you can add skill points to your stats and allow you to level up. Your stats are as follows; STAMINA STAMINA: Stamina is the number of points of damage you can withstand before being knocked out of the battle. The higher your stamina the more damage you can absorb and the more powerful your attacks. DIE DIE: Die is the number of points of damage you can take before falling in the battle, and losing your current health points. The higher your die the easier your opponent's attacks are to break through and the more damage you take in the battle. LUCK LUCK: Luck is the

luck of the battle. Luck is the percentage of damage and chances of you running out of your current health. The higher your luck the higher your chances of healing and the lower your chances of loss. This also comes from remaining healthy. EXIT EXIT: If you enter the dead zone during a battle, you will lose that battle and your current health will return to 100% EX. • Watch Emotions Move on People's Faces. As you explore the world, you will meet many interesting and exciting NPCs. As you interact with them, their mood can change. You can catch a glimpse of the feelings that move on the NPCs' faces. •

ut Midijox:

Midijox is a progressive, Multiplayer online battle RPG created by The Godo Crisis. The New Fantasy Action RPG game genre fuses together RPG and action game genres.

In an RPG, players can freely choose their class, and then battle carefully killed enemy monsters to gain experience. In addition, users can freely choose their class, and then battle system using their currently obtained

, weapon, and armor, and gain experience.

course, since this is an RPG, users can bring out the diverse role and style of their character.

In Action Game, players can use their relevant skills and items at critical times to take a decisive blow to the enemy. For example, when a monster is about to destroy a construction, users can use the skill of 'World Repair' to fight against the monster while not losing the construction's integrity. And because the attack powers and items equipped by the player can be changed at any time, the game feels like an action game even for RPG fans. The game also features an innovative 'Business Simulation' mode.

Special Features:

World of Durability, Survive or Fall in the Fields Between The largest and most difficult field is the World of Durability. There is a conspiracy to destroy the Fields Between, so you must emerge from this field while battling. During this fight, you can improve your character while enjoying the adventure!

The game offers a full multiplayer online experience by automatically simulating the world and accommodating the number of people participating in it.

System Requirements:
