. 60 million.hello and welcome to my new channel. today I'm gonna show you how to make autumn twist mousse cupcakes Let's go it's the first cupcake I've ever done. This is my first time doing any cake at all. I hope you enjoy it. The first thing that we're going to do is we're going to add a small amount of Powdered Sugar So we're going to use... a teaspoon and a half This is a small, little bit of powder And we're just gonna mix it up real quick And then we're just gonna add the little bit of baking powder, and then we're going to add this little bit of Fondant to this side And we're going to get some butter here. Oh, whoops! So we have some butter here. We're gonna add that into our baking powder And then we're gonna mix it up a little bit and then get our chocolate on here. Okay, oh boy. So I have some chocolate powder, which is sweetened cocoa. So this is what I'm gonna add to this. So I just take a whisk, I'm going to slowly whisk In this cocoa powder. And once that's mixed in, you can see now that it's bubbling. And that's always a good sign. So it's going to be okay to add the little bit of vanilla extract. So I'm gonna mix that in. And a teaspoon of powdered sugar. And then we're going to add a little bit of this To the side of the cupcake. And we're just gonna add the chocolate to the bottom. So I'm gonna add this all. And then we're gonna fold it in, so this is a big bowl here And so you're gonna do it by folding it. So, you know, when you fold things, you gotta fold from the bottom of the bowl up. So like that. Then I'm going to do a little Folding here. Fold from the bottom up. And then I'm going to do it again. Okay, and we're done! Okay, so let's decorate them. We have two te
